November 2018 Guidance Newsletter

Hello Seniors!

This is a very busy time of year for everyone! It's the start of a new quarter, application deadlines are approaching, and sports seasons are changing. If you need any help with getting and staying organized, please see us! We're here to help!

The Guidance Staff

UNIVERSITY OF MAINE AND UNIVERSITY OF SOUTHERN MAINE APPLICATION REVIEW DAYS

To receive priority processing, students must submit an online application by **Monday, November 5th**. Both University of Maine and University of Southern Maine accept the Common Application (www.commonapp.org).

Students must bring a copy of their online application to Pat Ayotte in the guidance office by **Thursday, November 15th**.

Students must also arrange for teacher recommendations to be submitted to guidance by this date. This deadline is important because a day is needed to prepare the folders for the reps.

The admissions counselors will review all application documents and provide the student with an indication of the admission decision immediately. **Application fees will be waived** (when applying, submit the application without payment).

Dress to impress! Approach this application review like you would a job interview. First impressions are key!
