

STANDARDS FOR ETHICAL AND RESPONSIBLE BEHAVIOR

The MSAD 52 Board of Directors believes that the following standards must be recognized and promoted by every member of the district's educational community and be the basis for all decisions and behavior:

- Respect of others and self
- Honesty in all academic endeavors and interpersonal relationships
- Compassion in dealing with the limitations and sufferings of others
- Responsibility for personal actions as an individual and a member of the community
- Courage in the face of ethical challenges.
