

Fire Drills

MSAD 52 Schools at all levels PreK-12 are required to hold two fire drills during the first two weeks of school. Schools housing grades PreK-4 will hold an additional eight fire drills during the year; schools housing grades 5-8, an additional six fire drills; schools housing grades 9-12, an additional four fire drills. One of these required drills will include a lock down drill. Schools housing any combinations of these grade levels will hold the additional number of fire drills required of the lowest grade level within the span. Results shall be recorded and deficiencies noted and corrected. Staff members shall receive an annual orientation to this procedure.

Each school shall have immediate access to a telephone or other means of electronic communication. The numbers of local fire, police and emergency services shall be conspicuously posted on or near all telephones.
